Welcome to our practice,

Thank you for choosing In Motion Dentists to serve you or your loved one’s dental needs. At In Motion Dentists, we strive to make your experience unforgettable in a positive way. We understand that it may have been several years since you’ve been to a dentist or that your dental health may not be as good as it used to...and, we completely understand. Our main goal is make sure you or your loved one is comfortable and not in pain...but read a little more about us and you’ll also find that we can take care of more than just dental pain.

At In Motion Dentists, we provide comprehensive portable dental services in the comfort of your home. This includes, x-rays, fillings, crowns, extractions, dentures and a whole lot more. We have found that arranging the transportation to get to the dentist can be the biggest hurdle to getting the needed dental services one requires, and for some, it’s next to impossible. That is why Dr. Banner began straight out of dental school offering dental service on a portable basis.

At your initial visit, Dr. Banner first reviews your medical history and discusses your desires to improve your dental health. This is the most important part of the exam. Treating one safely requires a knowledgeable and experienced dentist who works with people just like you day-in and day-out. After this is complete, you will receive a comprehensive exam and, if required, dental x-rays and photographs. Dr. Banner will then provide you with the information you need to make a decision on what dental treatment is best for you or your loved one based on several factors including current health status and the patients’ dental needs/desires. Before leaving we will strive to answer all your questions and concerns as thoroughly as possible.

Dr. Banner and his staff at In Motions Dentists look forward to meeting you during your consultation in your home. We promise to provide you or your loved one with the highest quality of dental care that they would receive in a traditional dental practice setting. The patient’s health and safety is always our highest priority.

If you haven’t already, please take some time to learn about our practice on our website:

1. Completed attached forms
2. If available, the patients dental benefits card (As a reminder, we assist you in submitting your dental claim. However, you are responsible for your account and payment is due when services are rendered.

Please do not hesitate to contact us should you have any questions or concerns.

FINANCIAL/INSURANCE POLICY

Welcome to In Motion Dentists! It is our commitment to provide you with the comprehensive and affordable dental treatment in the comfort of your home. It is our responsibility to keep you informed of treatment recommendations and financial obligations. The following is our office payment policy:

Payment for Services
Payment is due at the time services are rendered, as In Motion Dentists is a fee for service practice. If the individual who is taking on the responsibility to pay for the patient’s dental services is not able to be present at the time dental services will be provided, payment must be made before treatment can be scheduled or payment must be left with the patient (or their caregiver/administrator) to be paid at the time services are offered. After payment is made, a receipt will be sent to the payee in a timely manner.

We accept cash, debit cards, credit cards and personal checks.

If you have Insurance
If you have dental insurance, we will be happy to fill out the insurance claim form for you to receive reimbursement for your allowable benefits. While the completion of the insurance claim form is a courtesy that we extend to our patients, all charges and payments are your responsibility on the date that services are rendered. Please keep in mind that your insurance plan is a contract between you and the insurance company, and is in no way an obligation between that insurance company and In Motion Dentists. Our office will mail you the claim form for you to then mail to your insurance. After you submit the claim form to your insurance, it is your responsibility to follow-up with your insurer for reimbursement. We encourage you to read and understand your dental policy.

Procedures for payment/reimbursement
• Payment is due in full at the time services are rendered.
• As a courtesy to our patient, we will complete a dental claim form and mail it to you for your reimbursement.
• You will mail the dental claim form to your dental insurance.
• Your insurance carrier will review your claim and make determination of your payment. Some services may not be covered by your plan, or your insurance carrier may pay only a portion of the charges. We cannot know these amounts in advance; therefore, payment is your responsibility.
• Our office does not guarantee that you will receive reimbursement from your insurance company. Please contact your insurance company for answers to specific questions regarding your coverage, their payment policies and reimbursement procedures. We recommend calling your insurance company to expedite claims if a claim has not been paid within 30 days.

Other fees
Outstanding balances: Outstanding balances over 30 days will be assessed a $25 fee per month until the patient’s account balance is paid in full. This fee is to cover the administrative cost that is incurred while attempting the collect payment.

Should you have any questions regarding your financial responsibility, please call us....we are here to answer your questions. It is the purpose of this policy to eliminate any misunderstandings, and therefore, have more time to dedicate to your dental care.

I certify that I have read, understand, and received a copy of the above policy. I understand my financial responsibility for dental treatment.

CANCELLATION/MISSED/RESCHEDULED APPOINTMENTS

Thank you for choosing In Motion Dentists to take care of your dental needs. We strive to provide you with the best care possible. As a patient of our practice, we will always strive to treat you in a timely manner while providing you with the highest quality of care. Our portable practice is unique in dentistry and because of this, we must have additional policies that allow all patients to be treated timely and predictably. Our appointments are 1-2 hours long per patient. This makes the time we have in a given day very valuable to treat those that use our services. For this reason, the following policies have been put into place:

**Missed Appointments:** A missed appointment will result in a charge of 25% of the planned treatment based on our “usual and customary rate” (UCR). We encourage you to give us a call and speak with Dr. Banner regarding the reason for missing your scheduled appointment.

**Canceled Appointments:** Due to the nature of our practice, it is often difficult to fill voids in our schedule last minute. For this reason, we require a 48-hour advanced notice for canceling your appointment. If appointments are cancelled less than 48 hours in advance, our “Missed Appointments” policy will be applied (See above).

**Rescheduled Appointments:** Again, because it is difficult to fill voids in our schedule last minute, a “Missed Appointments” charge will be applied if you reschedule less than 48 hours prior to your dental appointment. As a “Thank you” for rescheduling with us, we will apply 50% of the “Missed Appointment” charge towards your next appointment.

**Late to Your Appointment:** We strive to be at your house within 15 minutes of the scheduled time. Travel time, equipment set-up and clean-up are built into appointments. Our doctors will wait up to 20 minutes past the scheduled appointment time. If you are not home for your appointment, we will make every effort to get ahold of you to verify if you are running late. If we cannot get ahold of you within 20 minutes, this will be considered a missed appointment and the “Missed Appointments” policy will be applied. If we do get ahold of you and you let us know that you are going to be more than 20 minutes late, one of 2 things will occur:

1. If you were scheduled for a 1 hour appointment, the appointment will be re-scheduled for another day. In this case, our “Rescheduled Appointments” policy will be applied (See above). If you choose not to reschedule your appointment, our “Missed Appointments” policy will be applied.
2. If you were scheduled for longer than a 1 hour appointment, it is possible (not guaranteed) our doctors will still be able to complete some treatment. If our doctors determine they are unable to perform all scheduled work for that day, a $50 late fee will be applied to your visit total. If all the scheduled work is still able to be completed, no fee will be applied. If our doctors determine they do not have the time to begin your treatment while keeping the quality of dental care at the highest level of treatment, your appointment will need to be rescheduled. In this case, our “Rescheduled Appointments” policy will be applied (See above). If you choose not to reschedule your appointment, our “Missed Appointments” policy will be applied.

We acknowledge that we occasionally run behind schedule. We apologize in advance for the inconvenience and ask for your understanding that dental emergencies occasionally create delays in our schedule. Please let us know if you have any questions about this policy. We appreciate your cooperation in this matter.

I certify that I have read, understand, and received a copy of the above policy.
I understand my financial responsibility for dental treatment.
